Scope of the Journal

ISSN: 1752-8224 (Print), ISSN: 1752-8232 (Online)

IJAF initiates and fosters discussion on issues that significantly contribute to the disciplines of accounting and finance, with emphasis on the implications of these disciplines in the ongoing globalisation process in the 21st century. The journal's emphasis on the inter-dependencies of accounting and finance reflects the increasing complexity of corporate financial management in recent years, and verifies the importance of understanding accounting and finance from an international context.

Contents:

IJAF publishes high quality original manuscripts, review papers, technical reports, case studies, conference reports, management reports, book reviews, notes, commentaries, and news. Special Issues that addresses important accounting and finance questions in the specific context of a region or topic will be published occasionally in order to promote greater understanding of the internationalisation dimensions of accounting and finance.

Topics covered include:

- International and financial accounting
- Management and cost accounting
- Tax
- Auditing
- Accounting information systems
- Accounting education
- Environmental and social accounting
- Accounting for non-profit organisations
- Public sector accounting
- Corporate governance: accounting/finance
- Ethical issues in accounting and financial reporting
- Corporate finance
- Investments, derivatives
- Banking
- Capital markets in emerging economies
