Scope of the Journal

ISSN: 1753-1969 (Print), ISSN: 1753-1977 (Online)

IJBAF publishes research focusing on behavioural issues in accounting and finance across financial markets, corporate or governmental contexts in different countries. IJBAF welcomes theoretical or empirical papers demonstrating how human behaviour affects accounting or finance or vice-versa. The scope of the journal is broad. It includes behavioural research in major disciplines in accounting such as financial accounting, management accounting, and auditing, and in finance such as corporate, investments and financial markets.

Contents:

IJBAF publishes original papers, review papers, technical reports, case studies, conference reports, management reports, book reviews, notes, commentaries, and news. Special Issues devoted to important topics in behavioural accounting and finance will occasionally be published.

Topics covered include:

- Judgment and decision-making
- Human information processing
- Behavioural issues in financial accounting, management accounting and auditing
- Behavioural issues in corporate financing, investment, and mutual funds
- Investors' behaviour and sentiments
- Calendar effects and other anomalies in financial markets
- Fundamental and non-fundamental equilibria in financial markets
- Gender issues in finance and accounting
- Behavioural implications of corporate governance systems
- Experimental studies in accounting and finance
- Survey analysis
- Game theory
