Scope of the Journal

ISSN: 1756-2104 (Print), ISSN: 1756-2112 (Online)

Functional informatics and personalised medicine in the new era of biomedical sciences and computational sciences are interactive disciplines that hold great promise for the advancement of cutting-edge research and development in biomedical informatics and pharmaceutical sciences. IJFIPM is dedicated to promoting the research, education and awareness of functional informatics and personalised medicine, and provides a common platform for the cross-fertilisation of ideas by bridging important and complementary disciplines into an interactive and attractive forum.

Topics covered include:

- Transcriptomics, metabolomics, epigenomics, metagenomics
- Genomics, gene regulation, SNPs, haplotype analysis, GWAS
- Genome-phenome/promoter/non-coding region analysis, sequencing
- Proteomics, biomarker discovery, network/pathway analysis
- Protein/RNA structure/function/interactions, non-coding RNA analysis
- Evolution/phylogeny, alternative splicing, post-translational modifications
- Biomedical databases, text/data mining, visualisation, signal/image analysis
- Computational modelling/data integration, molecular simulation
- Computational/web intelligence, machine learning
- Medical expert systems/social networks
- Biomedical intelligence, clinical data analysis, medical diagnosis/decision fusion
- Electronic health records, hospital IT, telemedicine
- Bio/quantum/nano/evolutionary/cloud/grid/mobile/distributed computing
- Biomedical sensors, tissue engineering/biomaterials
- Environmental health, food science, traditional/Chinese medicine

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/ijfipm where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via e-mail or RSS
- View editorial board details
- Find out about how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Healthcare and Biosciences Collection (see www.inderscience.com/hb). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
