# Scope of the Journal

ISSN: 1479-3911 (Print), ISSN: 1479-392X (Online)

*JFSNPH contributes to the improvement of public health through quality research and a better understanding of the science involved in food safety, nutrition and dietetics, food studies, food and restaurant management. To promote better health for all, this initiative aims to broaden the context of public health and health equity, integrate the study of these various disciplines, and foster knowledge transfer on key issues regarding the pivotal role of food safety, nutrition and health equity in influencing health outcomes.*

## Topics covered include:

- Food safety/hygiene, quality assurance/control
