# Scope of the Journal

ISSN: 1755-151X (Print), ISSN: 1755-1528 (Online)

*IJIE subscribes to a broad understanding of innovation in education in order to provide a wide platform for academic and practitioner discussion to create knowledge and exchange ideas on this issue. IJIE's key features include a commitment to research in schools, colleges and other educational settings; innovative approaches to problems in education which provide new and effective solutions to challenges; and research-inspired solutions to educational issues which have an impact in the widest sense of the term.*

## Contents:

The journal publishes original papers, review papers, technical reports, case studies and book reviews. Special Issues devoted to important topics with regard to innovation in education will occasionally be published.
