# Scope of the Journal

ISSN: 1462-4621 (Print), ISSN: 1741-5187 (Online)

*The general themes of IJMDM seek to develop our understanding of organisational decision making and the technology used to support the decision process. A particular purpose is to consider management processes in international and cross-cultural contexts and to secure international inputs and comparisons. IJMDM aims to provide a new venue for high quality papers focusing on the analytical and empirical study of management processes in private and public sector organisations - including cases and action research.*

## Topics covered include:

- Making and implementing strategic decisions
