Scope of the Journal

ISSN: 0268-1900 (Print), ISSN: 1741-5209 (Online)

IJMPT is a refereed and authoritative publication which provides a forum for the exchange of information and ideas between materials academics and engineers working in university research departments and research institutes, and manufacturing, marketing and process managers, designers, technologists and research and development engineers working in industry.

Contents:

The IJMPT publishes original and review papers, technical reports, case studies, conference reports, management reports, book reviews, and notes, commentaries, and news. Contribution may be by submission or invitation, and suggestions for special issues and publications are welcome.

Topics covered include:

- All aspects of technologies related to materials
- Materials innovation/technology
- Material selection/economics/management
- Interaction between materials/design/manufacturing
- Other aspects of product technology
- Materials fabrication, design for manufacture: CAD/CAM, CAE, CIM
- Manufacturing methods/technologies
- Joint fixing, bonding, adhesive technology
- Finishing materials, corrosion, protection technology
- Deformation analysis, structural safety, failure preventative technology
- National/international product liability, technical insurance
- Concurrent engineering of advanced materials; TQM
- Smart materials/structures
- Electronic materials, embedded software
- Electronic packaging technology/materials

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/ijmpt where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via e-mail or RSS
- View editorial board details
- Find out about how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Science, Engineering and Technology Collection (see www.inderscience.com/set). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
