The Journal of the International
Association for Vehicle Design

Scope of the Journal

ISSN: 0143-3369 (Print), ISSN: 1741-5314 (Online)

IJVD, the journal of vehicle engineering, automotive technology and components, has been established for over a quarter of a century as an international authoritative reference in the field. It publishes the Proceedings of the International Association for Vehicle Design, which is an independent, non-profit-making learned society that exists to develop, promote and coordinate the science and practice of vehicle design and safety.

Contents:

IJVD publishes original and review papers, technical reports, case studies, conference reports, vehicle and component manufacturers' information, management reports, book reviews, and notes, commentaries, and news.

Contribution may be by submission or invitation, and suggestions for special issues and publications are welcome.

Topics covered include:

- Vehicle engineering design
- Automotive technology
- R&D of all types of self-propelled vehicles
- R&D of vehicle components
- Interface between aesthetics and engineering
- Integration of vehicle and components design into the development of complete vehicle systems
- Social and environmental impacts of vehicle design
- Energy
- Safety

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/ijvd where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via e-mail or RSS
- View editorial board details
- Find out about how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Science, Engineering and Technology Collection (see www.inderscience.com/set). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
