

## **Announcing New Journal Call for Papers for Inaugural Issue**

### **International Journal of Decision Support Systems**

The *International Journal of Decision Support Systems (IJDSS)* is a new scholarly journal that publishes applied and theoretical research contributing to DSS as a distinct scientific field where information systems, operations research and management science cooperate. It aims at establishing an effective channel of communication between all people involved in the underlying research areas and promoting and coordinating relevant developments and innovative research initiatives.

The topics covered by the IJDSS include, but are not limited to, the following:

- Artificial intelligence and DSS
- Business intelligence
- Cognitive sciences
- Collaborative decision making
- Data warehousing and online analytical processing
- Decision making and engineering
- DSS foundations and development
- Electronic and mobile commerce - social networks
- Executive support systems and workflow management systems
- Marketing DSS
- Medical/Clinical DSS
- Multicriteria DSS
- Operational research and management science
- Organisational DSS
- Recommendation systems
- Spatial DSS
- Relevant DSS applications in areas other than those mentioned above such as: agriculture, business, education, energy, environment, financial engineering, human resources, investments, logistics, military operations, policy modelling and public sector, production, telecommunications, tourism, transportation, etc.
- Web-based and mobile DSS

Detailed information regarding the objectives, content, subject coverage, readership and founding Editorial Board may be found at [www.inderscience.com/home.php?jcode=ijdss](http://www.inderscience.com/home.php?jcode=ijdss).

### **Call for Papers**

The Editorial Board invites scholars to submit original research papers, research notes and review papers in the field of DSS.

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All papers must be submitted online, as per the guidance at [http://www.inderscience.com/info/inauthors/author\\_submit.php](http://www.inderscience.com/info/inauthors/author_submit.php) .

**Submission deadline:** *28 February, 2013*

The Editorial Board additionally invites researchers to submit their proposal for editing Special Issues in the topics covered by *IJDSS*.
