- Ontology
- Research methods
- Social informatics
- Strategic information systems
- Workflow management systems
- Other related issues

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All papers must be submitted online. Please read our [information on preparing and submitting articles](http://www.inderscience.com/info/inauthors/author_submit.php) (http://www.inderscience.com/info/inauthors/author_submit.php).

Questions about submissions and queries from potential authors should be addressed to the Editor in Chief, Prof. Dr. Eldon Y. Li, at eli@calpoly.edu.
