Security and Counter Terror Expo
19th – 20th April 2016 | Olympia London

Security and Counter Terror Expo is the premier international event delivering buyers and specifiers from across the world within Government, Military, Law Enforcement, Emergency Services, Critical National Infrastructure, Private Sector and the Security Services. The event offers the opportunity to visit an exhibition of over 300 leading suppliers of counter terrorism and security solutions as well as see a number of product launched and demonstrations.

Security and Counter Terror Expo features a highly relevant centrepiece conference designed to deliver insight, analysis and perspective to current threats, an extensive and highly specialised programme of workshops developed to offer an in-depth examination of specific issues and provide a focused forum for debate, as well as one of the largest showcase exhibitions of its kind anywhere and which attracts the leading vendors globally.

This market leading event hosts the most comprehensive showcase of technology, equipment and services designed to protect nations, borders, crowded places, critical national infrastructure (Banking / Finance, Communications / IT, Energy / Oil & Gas / Nuclear, Health, Logistics / Supply Chain, Maritime / Anti-Piracy, Transport Security, Utilities / Water), companies, assets and individuals from the threat of terrorist attack.

This two day event is held annually in the prestigious Olympia Grand of the Olympia Exhibitions & Conference Centre in the very heart of London. Register your interest today by visiting the website www.counterterrorexpo.com
