SMI's Pre-Filled Syringes conference returns to London, UK, in January 2016, as it looks beyond upcoming obstacles which will help delegates prepare for better PFS solutions. With a selected 100+ representatives from the world's leading Pharmaceutical and Biotechnology businesses, attendees will learn the A-Z journey of PFS as well as provide the chance to bridge the technical and commercial gap, helping to stay ahead of competition.

Supported by Inderscience Publishers.

SMI Group are delighted to offer a special £100 discount (on top of the currently advertising price) to all subscribers. Use this voucher code – SMI6C5C- when booking online at www.pre-filled-syringes.com/indersciencepubs

Expert Speaker Panel 2016 includes:

- Alphons Fakler, Senior Packaging manager, **Novartis Pharma AG** (Chairman, Day One)
- Stephen Barat, Executive Director, Non-Clinical & Translational Sciences, Safety Assessment & Bioanalysis, **Allergan** (Chairman, Day Two)
- Vikas Jaitely, Senior Pharmaceutical Assessor, **MHRA**
- David Blakey, Device Engineering, **GSK R&D**
- Jean-Rene Authelin, Global Head of Pharmaceutical Engineering, **Sanofi R&D**
- Valerie Fenster, Sr. Manager Human Factors Engineering, **Amgen**
- Dominique Lavergnat, Device Development Engineer, **F. Hoffmann -La Roche Inc**
