The 6th China (Guangzhou) International Fire Safety Exhibition (CFE 2016)

The 6th China (Guangzhou) International Fire Safety Exhibition (CFE) is an international exhibition in fire protection equipment, fire technology, and fire rescue. The exhibition has been one of the most important activities of Guangdong Safety Production Month. It provides a perfect platform for safety managers, and safety engineers around the world. It helps the fire departments and enterprises to deal with the disasters, and offers a one-stop solution. The exhibition zone is 22,000 square meters in 2016 (11,000 in 2015), the number of exhibitors is expected to be 280 in 2016 (200 in 2015), and the number of professional visitors is predicted to be 16,000 (14,368 in 2015). The attendees visit from the core of Zhujiang Delta to other parts of China and the globe. With five years' cultivation, the exhibition has received support of 200 famous brands at home and abroad, such as Honeywell, Siemens, Apollo, GST, Yiai electronics, Tian Guang, Nanjing Fire, Baisha, Jinan fire, Fujian fire, Guangzhou Nengdong, Juncheng steel, Cathay, FLIR, Shanghai Hongyuan, Shinruihong Bengye, Wuhu Huaxia fire, Yingkou Tiancheng, Shandong laide machinery, Guangdong fire, Shenzhen Tianming, Xi'an Lele, Baili fire, Huizhou fire, etc.
