Early Bird Offers:

Book by Feb 29 and save \$400, book by Mar 31 and save \$300, book by Apr 29 and save \$200

Emulating on SMi's successful PFS series, we are bringing this must-attend event to the West Coast, where we will focus more on the innovative technologies. Join us today to discuss with your industry colleagues to accelerate PFS development!

**Supported by Inderscience Publishers.**

**SMi Group are delighted to offer a special £\$100 discount (on top of the currently advertising price) to all subscribers. Use this voucher code – SMI8205 - when booking online at [www.prefilled-syringes-westcoast.com/inderscience](http://www.prefilled-syringes-westcoast.com/inderscience) This offer is available to new registrations only.**

Through practical case studies from pharma and interactive discussions, you will:

- Learn about the **A-Z of extractables and leachables** to ensure a holistic PFS safety assessment
- Keep your patients at heart: embedding **human factors** into device design
- Update on new **PFS material selection and innovation in device design for combination products**
- Understand regulators' expectations and **adhere to strict visual and PFS manufacturing inspection standards**
- Discuss, debate and **benchmark against peers' best practice** to stay ahead of the competition

**ELITE SPEAKER PANEL INCLUDES:**

- Stephen Barat, Executive Director, Non-Clinical & Translational Sciences, **Allergan**
- Mathias Romack, Snr Director, Device Strategy, **Pfizer**
- Jason Lipman, Associate Director, Regulatory Affairs, Medical Devices & Combination Products, **Janssen R&D, LLC**
- Dr. Paolo Mangiagalli, Senior Director, Head PFS Platform, **Sanofi and many more!**

**WHO SHOULD ATTEND?**

Selected audience include but are not limited to those working in the pharmaceutical, biotech and medical device industry with responsibilities in manufacturing, packaging, supply chain, device development and regulatory affairs.

**SVP, VP, Chief, Director, Head, Principal of**
