

Defence Logistic Eastern Europe
7 – 8 March 2016, Prague, Czech Republic
www.defence-logistics.eu/inderscience

Defence Logistics Eastern Europe 2016 will bring together the highest ranking commanders of logistics and support commands from across the Eastern European region.

As the nations in the area begin the process of modernizing their logistics forces to meet new operational demands while at the same time going through extensive budget reforms, there is a recognized need to meet and discuss the most relevant issues, as such the Czech MoD is hosting this forum.

Topics will be discussed such as training, international cooperation and procurement, all of which will be talked about at the highest levels of authority in the world of Defence Logistics.

SMI Group are delighted to offer a special £100 discount (on top of the currently advertising price) to all subscribers.
