

[title]

Visit 2016 Shenzhen (China) Electric Motor, Magnetic Materials, Coil Winding & Insulation Expo!

2016 Shenzhen (China) Electric Motor, Magnetic Materials, Coil Winding & Insulation Expo is a professional trade show which is worth visiting !

It is the most professional trade show focusing on electric motor manufacturing , coil winding & insulation industry in South China, which has been held for 13 years and approved by UFI (The Global Association of the Exhibition Industry).

Date : May 24-26, 2016

City, Country: Shenzhen, China

Venue : Shenzhen Convention and Exhibition Center

Type: International

Website: <http://www.motor-expo.cn/en/>

☆ Exhibit Scope:

- Electric Motors
- Electric Motors Manufacturing Equipments
- Electric Motors Parts & Components
- Electric Motors Testers
- Control & Sensors
- Thermal Protectors
- Magnetic Materials (soft, hard, permanent, ferrite, etc.)
- Magnetic Producing Equipments
- Magnetic Materials Testers
- Coil Winding Machines
- Coils, Chokes, Electric Transformers
- Coil-related Machines
- Insulation Materials

DC Motors

Stepping Motors

Motor Accessories & Components 电机配件

Motor Shaft

Automotive A/C Blower Motor Enclosure + end cover, Enclosure Group of Pivoted Window Motor

Motor Manufacturing Equipments 电机制造设备

Disen Mach 发送图片到手机 Booth: A112

Stator varnish rolling dip machine, Rotor varnish trickling machine

Schenck Machinery Booth: A439

Balancing Machines

Hangzhou Permanent Magnet Group Booth: B168

Permanent Magnets, Magnetic Components

INST Magnetic New Material Co.,Ltd. Booth: B110

Permanent Magnets, Magnetic Components, VCM Magnetic Sheets
