This year's meeting will bring together key professionals in the PPP, project financing and infrastructure sectors to discuss the latest issues and trends within the Benelux market. New topic areas for 2016 include contract management, due diligence and learning how to meet financial close. There will also be brand new case studies including the Brabo 2 Antwerp Tram PPP project and updates on the A11 Brugge-Knokke Highway project and the Haren DBFM prison project. Other topic areas that will be built upon would be Institutional and insurance investors, alternative sources of finance, future risks, procurement and infrastructure debt.

BENEFITS OF ATTENDING:

- The only conference tailored to meet specific infrastructure challenges and needs for the Benelux region
- Case study updates from major projects in the region including; renewables, maritime, public transport and social infrastructure schemes
- Explore the different financing models and mitigate various risk for mega projects to ensure success
- Benchmark against other major EU infrastructure projects for best practice and optimal model
