**Defence Exports 2016** will provide crucial ITAR, ECR, EAR and OFAC updates as well as changes to national European export controls from long-standing EU members, recent members as well as non-EU national updates.

This industry-leading conference brings together leading lawyers, consultants, industry professionals and government officials involved in arms controls and export compliance, thus allowing you to develop your knowledge of global export controls as well as network and meet with industry leaders.

Alongside the elite panel of government speakers, senior international trade compliance professions will discuss the key challenges in compliance and topics include cyber security and export violations, electronic data services such as cloud and how to comply, global trade compliance programmes and self-disclosure.

**The event programme also includes 4 exclusive pre- and post-conference workshops.**

**Workshop A: Asia-Pacific Export Control and Compliance**

Hosted by Jay Nash, SECURUS Strategic Trade Solutions

**Workshop B: The Intra-Community Transfers - Moving Forward Through Greater Harmonisation**

Hosted by Sylvia Kainz-Huber, European Commission

**Workshop C: IT and Cybersecurity: The New Export Control Frontier**

Hosted by Gary Stanley, Global Legal Services

**Workshop D: Global Trade Compliance in Practice: Establishing a Compliance Programme to Think Globally, Act Locally**

Hosted by Berh Mersch, Northrop Grumman Corporation.
