SMi Group is proud to announce its 5th annual Military Flight Training conference. The event will return to London on the 21st and 22nd September 2016 to discuss the latest national approaches to training as well as the development of modern technologies to meet current and future complex mission scenarios faced by today's pilots from fast fighters to multi-engine fixed wing aircraft.

For more information please visit the event website www.militaryflight-training.com/inderscience

Event Highlights:

1. Training Commanders from some of the leading Air Forces and Flying Branches in the World making this the most focused conference on delivering air power from the air, land or sea
2. Military Briefings from the Royal Air Force, US Air Force, US Navy, France, Poland, Sweden, Norway, Slovenia, South Africa and NATO
3. Dedicated focus on synthetic training, pilot instructor training and air power delivery
4. Real Solutions presented and offered within the Military Flight Training exhibition
