

Asthma & COPD

Leading strategies to novel treatments and solutions

29th - 30th March 2017

Holiday Inn Kensington Forum, London UK

www.asthma-copd.co.uk/inderscience

SMI is delighted to announce the return of SMI's 13th annual Asthma & COPD conference taking place in London, UK on the 29th-30th March 2017. Aimed at senior scientists and respiratory and inhalation specialists, Asthma & COPD 2017 will reflect on the ongoing issues and latest developments of these two diseases.

With a carefully selected panel of industry experts, the 2017 event will address the latest challenges and changes in the fields of asthma and COPD. The agenda will explore ongoing issues, cutting edge developments and novel approaches to treatment surrounding key areas such as biomarkers and targeted treatment, device development and drug delivery. Furthermore the event will deepen understanding of the problems relating to these respiratory diseases, and discuss the hot topic of electronic health monitoring.

Featured Speakers:

- Quan Yang, Pharmaceutical Assessor, **MHRA**
- Stephen Beckman, Head of Global Respiratory and Allergy, **Mylan**
- Outi Vaarala, Vice President, Head of Translational Biology, **AstraZeneca**
