[BPM Conference Europe 2017](#)

16-19 October 2017, London

These are Europe's only co-located conferences on Enterprise Architecture and BPM and provide you with a unique opportunity to discover the latest approaches and innovative ideas to EA, BPM and Business Architecture and benefit from the synergies between them. This conference provides an unparalleled networking opportunity for Enterprise Architects, BPM Professionals and Business Architects from across Europe and beyond.

The Conferences are Designed by Practitioners for Practitioners. The conferences are therefore centred on first hand stories on EA, BPM and Business Architecture in practice. And, by focusing on the people who know EA, BPM and Business Architecture best – the Practitioners themselves - they are always an excellent reality-check on where EA, BPM and Business Architecture are today, and where they are going to next.

Focus on End-User Case Studies. Take an inside look at the success and challenges behind real-world Enterprise Architecture, BPM and Business Architecture implementations. Case studies and contributors include: Shell, Prudential, Bayer, Centrica, Zurich Insurance, Southern Scottish Electric, European Investment Bank, Capita Transformation, Reckitt Benckiser Group, Canada Life, Orange Poland, NFU Mutual, PFA Pension, Kuwait Oil Company, Yorkshire Building Society, Crown Prosecution Service, Capgemini Norway, Henley Business School, Cambridge Assessment, KCOM, City of Malmö Sweden, Lørenskog Municipality Norway, Victoria Public Services, Tatra Banka, Jordão Cooling Systems, McKinsey & Company, National Treasury Management Agency, HU University of Applied Science Utrecht, Vesta Corporation

Five Conference Tracks Focusing on Company Case Studies. Choose from more than 70 sessions, with 2 tracks on Enterprise Architecture, 2 tracks on BPM and 1 track on Business Architecture. Whether you are just getting started or looking for more advanced knowledge you will find sessions that address issues you are facing and people who can advise you.

Conference Workshops. Choose from twelve pre-conference workshops and four post conference workshops on specific topics to get you quickly up-to-speed or fine tune your performance.
