

Event title: Global Precision Medicine & Biomarkers Leaders Summit

Dates: 21st – 22nd September 2017

Location: Munich, Germany

Link: www.global-engage.com/event/global-precision-biomarkers-leaders

Description:

The Precision Medicine and Biomarkers Leaders Summit will provide a forum to network, learn and engage with senior representatives of leading pharmaceutical and biotech companies worldwide.

More intimate roundtable discussions will also provide an opportunity for you and your peers to cover, in detail, issues such as fulfilling the potential of big data, conducting precision medicine clinical trials and advancing liquid biopsies to the clinic.

Register today.
