

Cenetri Publishing Group is organising a conference on “**World Congress on Nursing & Healthcare**” to be held during **June 4-6, 2018 at Copenhagen, Denmark** with a theme "Explore the role of Nursing in leading and fostering Global Health".

Nursing & Healthcare congress aims to locate advances in health practice, management and education in relation to health disparities as well as in breadth of other topics. This is an excellent opportunity to share your best practice initiative, research project, or provide continuing education as it relates to the current issues. This congress recommends participants breakout sessions highlighting clinical projects, education and research studies. Nursing is among the fastest-growing fields, and it has a vigorous job market, which makes it very attractive to people in search of a new or first career.

Benefits of attending congress:

Global networking: In transferring and exchanging Ideas

A Unique Opportunity for Advertisers and Sponsors at this International event

Meet Experts & Influencers Face to Face
