

Probiotics Europe:

The 2nd Probiotics Congress: Europe is set to take place on 21 – 22 March in Rotterdam, The Netherlands. Designed with scientists, researchers and businesses in mind, this meeting focuses on identification, product development and regulation.

Leaders from academia and industry will present on topics across the vast field of dietary supplements, condensing it into two days of incisive presentations, roundtable debates and panel discussions.

Further opportunities to network and form partnerships can be found at the co-located 5th Microbiome R&D and Business Collaboration Forum: Europe.
