## **Reviewers 2011**

---

I am pleased that with the publication of Vol. 2 No. 4 issue we have accomplished the publication of second volume of *International Journal of Strategic Business Alliances*. In Vol. 2 there are two special issues, Nos. 1/2 and No. 3. My special thanks go to the Guest Editors: Bo Bernhard Nielsen and Line Gry Knudsen of Vol. 2, Nos. 1/2, and Tobias Gösling and Brendan Bartley for Vol. 2, No 3, for their outstanding efforts in putting together these two precious issues. The journal has made a great progress as being a major scholarly outlet in development and sharing of knowledge in the area of inter-firm partnerships and alliances. Of course this progress could not have been possible without invaluable contributions of our reviewers. Therefore, I am obliged to recognise the contributions of the following reviewers who provided superb feedback to the authors in evaluations of manuscripts submitted to the second volume of *IJSBA*.
