A number of selected recent news of interest for the broader constituency of Electronic Governance research and practice are listed in the following. For simplicity, news are briefly presented in the form of headlines, arranged in chronological order and accompanied by pointers to sources and more information that interested readers are invited to check. At the same time the word cloud below is meant to offer a quick glimpse of the overall news coverage.

Please note that, although we make every effort to ensure that the links mentioned below are active at the time of writing, we need to disclaim responsibility for eventual cases of broken links at the time of reading. In case our readers spot any such cases, we kindly request them to let the columnist know.
