A number of conferences on topics of interest that fall within the broader agenda of Electronic Governance research and practice are listed in the following. Please note that, in case of conferences with multiple tracks/mini-tracks, the main conference URL can be consulted for more detailed topics. At the same time the word cloud below, generated from the titles, dates and venues of these events, is meant to provide a quick overall glimpse of the total events listed. Interested readers are invited to check the conference web pages for more information about joining as a participant and for calls for papers and calls for contributions currently open.

Please note that, although we make every effort to ensure that the links mentioned below are active at the time of writing, we need to disclaim responsibility for eventual cases of broken links at the time of reading. In case our readers spot any such cases, we kindly request them to let the columnist know.
