Scope of the Journal

ISSN: 0960-1406 (Print), ISSN: 1741-5268 (Online)

IJSD is a forum for the publication of refereed scientific work, of an interdisciplinary character, at the interface of science, technology, policy and society. Particular emphasis is placed on the value and importance of stakeholder partnerships for effective communication on issues of sustainability.

Contents:

IJSD publishes original and review papers, technical reports, case studies, conference reports, management reports, book reviews, and notes, commentaries, and news. Contribution may be by submission or invitation, and suggestions for special issues and publications are welcome.

Topics covered include:

- Review and assessment of policies
- Strategy for policy making
- Environment and sustainable development
- Ecology and sustainability
- Social aspects of sustainability
- Economic dimensions of sustainability
- Political dimensions of sustainability
- Economic, social and natural resources issues
- Control, regulations and policy
- Future visions and scenarios
