Scope of the Journal

ISSN: 1747-8405 (Print), ISSN: 1747-8413 (Online)

IJSN proposes and fosters discussion on and dissemination of network security related issues.

Contents:

IJSN publishes original papers, short papers, and review papers. Special Issues devoted to important topics in wireless/wired network security will also be published.

Topics covered include:

- Cellular networks, wireless LANs, PANs, MANs, sensor/ad hoc networks
- Mobile IP, IP and satellite networks, wireless internet/communications
- Wired/wireless integrated networks
- Internet/WWW, high-speed/P2P networks, VoIP, e-mail
- Optical systems/networks, integrated/content-delivery networks
- Domain name service, communications, distributed systems
- Attacks, security mechanisms/services, authentication/authorisation, access control
- Multicast security, data confidentiality/integrity, on-repudiation
- Firewalls, privacy protection, security specification, encryption/decryption
- Formal analyses, group communications, intrusion detection, anonymity
- Key management, trust establishment, malicious parties' revocation, security policies
- Fraudulent usage, prevention of traffic analysis, denial of service
- PHY/MAC/routing protocols, dependability/reliability, secure location determination
- Performance evaluation, performance/security tradeoff analysis
- Network forensics, design/analysis of security protocols, security standards

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/ijsn where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via e-mail or RSS
- View editorial board details
- Find out about how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Science, Engineering and Technology Collection (see www.inderscience.com/set). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
