Scope of the Journal

ISSN: 1744-2370 (Print), ISSN: 1744-2389 (Online)

Globalisation of market and operations places tremendous pressure on productive management of services and manufacturing enterprises. Services are increasingly important in today's developed economies. Nevertheless, manufacturing plays a major role in national economies and is essential for the survival of service organisations. Considering the globalisation of services and manufacturing, a journal focusing on global perspective of operations management is of paramount importance. IJSOM focuses on new strategies, techniques and technologies for improving productivity and quality in both manufacturing and services.
