# Scope of the Journal

ISSN: 1746-0573 (Print), ISSN: 1746-0581 (Online)

*WREMSD is a multidisciplinary refereed journal on issues central to management and sustainable development around the world. The general theme of WREMSD has been very carefully chosen to include business and entrepreneurship management and the challenges these represent in terms of global competitiveness and sustainable development. It also addresses the question of how we are going to help local people to adapt and apply modern managerial practices to their local settings and improve their decision-making process and competitiveness.*

## Topics covered include:

- Accounting, finance, banking, taxation, mergers and acquisitions with regard to sustainable development
- Business/organisational communication, IT in global business and e-commerce with regard to sustainable development
- Business ethics, values, social responsibility
- Business law and legal environment of business/development with regard to sustainable development
- Corporate governance and strategy, MNCs, SMEs and entrepreneurship in the context of sustainable development
- Cross-cultural management/marketing and cross-disciplinary business areas in the context of sustainable development
- Environmental challenges, agribusiness/marketing/economics of sustainable development
- FDI, international trade, exporting and marketing with regard to sustainable development
- Economics, free trade, trade agreements and informal sector with regard to sustainable development
- Industrial engineering/management and supply chain/logistics management with regard to sustainable development
- International business/management and business in transition economies with regard to sustainable development
- Management/organisational theory and decision sciences with regard to sustainable development
- Operations/production/performance/quality/project management with regard to sustainable development
