# Scope of the Journal

ISSN: 2046-8083 (Print), ISSN: 2046-8091 (Online)

*With a population of 1 billion in 2009 living in 54 different countries, Africa has a diverse economy that includes trade, industry, agriculture and its own population resources. AJAAF provides a forum for exploring African research on current and future issues in business and beyond. It brings together interested faculty, professionals, policy makers, accounting/auditing/finance students, and others concerned with professional and regulatory matters in the corporate, university, schools of business, government and financial sectors.*

## Topics covered include:

- Current issues
- Definition/role of bookkeeping, accounting and the audit of financial institutions
- Standard-setting, governments, IFRS
- Regulations, fraud, ethics and the role of finance
- Corporate governance and new audit technologies for global entities
- Regulation of the banking sector and accountability of government functions
- Importance of the labour process
- Accounting's role in international capital market reporting
- Big corporations, international institutions
- African critical studies, accounting history, accounting/auditing for global warming
- Role of accounting in slavery/colonialism, production/exploitation of raw materials
- Accounting and sustainable development
- Accounting, auditing and money laundering
- Education and training of future African leaders
- The expansion of business in Africa
