Scope of the Journal

ISSN: 1097-4954 (Print), ISSN: 1745-1329 (Online)

GBER is an international refereed journal for the presentation, discussion and analysis of advanced concepts, initial treatments and fundamental research in all fields of Business and Economics. Priority is given to insightful policy oriented articles that deal with the implications of the increasingly global business activity, especially written for the educated lay-person. GBER welcomes contributions from academicians, corporate executives, staff members of research institutions, international organisations and government officials.

Topics covered include:

GBER publishes original papers, review papers, case studies, and book reviews. Special Issues devoted to topics in vogue will occasionally be published.

Topics covered include:

- Finance, corporate finance, financial management, investments, accounting
- Management, business studies, marketing, entrepreneurship
- Corporate governance, corporate social responsibility, sustainable finance
- Monetary economics, macroeconomics, international economics
- Environmental business and economics
- Business and economics education
- Further topics in any business or economics discipline
