# Scope of the Journal

ISSN: 2514-4111 (Print), ISSN: 2514-412X (Online)

*IJCM aims to publish mainly comparative studies in all fields of management including accounting, corporate strategy, finance, information systems, international business, human resources, marketing and organisational behaviour. The journal is a focal venue for theory-driven research grounded in comparative perspectives such as context, ownership, strategy, communication, performance and methods. IJCM invites all forms of comparative investigations leveraging theoretical or empirical observations using qualitative or quantitative methods based on survey, interview or archival data.*

## Topics covered include:

- Comparative strategic management perspectives
- Comparative investigations in marketing management
- Comparative analysis in corporate finance
- Comparative discoveries in international business
- Comparative frameworks in emerging market economies
- Comparative cultural studies in business management
- Government, publicly listed, private and family-owned enterprises
- Strategic alliances, joint ventures and technological collaborations
- Mergers, acquisitions, takeovers, buyouts and diversification
- Internationalisation strategy, business groups and firm performance
- Business models, new venturing and entrepreneurship
- Comparative issues in human resource and general management
- Foreign direct investment, economic growth and developing economies
- Comparative economic policy analysis and international development
- Cross-disciplinary/country/industry implications for comparative management
