# Scope of the Journal

ISSN: 2631-8881 (Print), ISSN: 2631-889X (Online)

*IJECSA provides a comprehensive and global forum for scientific discourse on advances in the development and application of innovative computing technologies for effectively addressing the challenges of sustainable agriculture. Science, technology and innovation in areas such as cloud computing, cyber-physical systems, robotics, drones, geospatial and imaging sciences and big data are helping agriculture to achieve its goal of meeting global food, fibre and feed needs in the present, without compromising the ability of future generations to meet their own needs.*

## Contents

IJECSA publishes comprehensive, relevant and reliable information based on current research and development in the form of original papers, review articles, technical reports, case studies, short communications and book reviews. Special issues devoted to timely and important topics at the confluence of sustainable agriculture and emerging computing and computational sciences will occasionally be published.

## Topics covered include:

- Emerging trends in precision agriculture and smart farming
- Autonomous and adaptive systems
- Real-time monitoring and sensing
- Cyber-physical systems
- Cloud computing innovation, mobile and pervasive computing
- Green computing
- Robotics and automation
- Big data science and engineering
- Knowledge discovery and data mining, decision support systems
- Embedded computing systems
- Geospatial and spatiotemporal databases
- Informatics
- Virtual and augmented reality
- Interactive and intelligent systems
- Systems modelling and optimisation

## Not sure if this title is the one for you?

Visit the journal homepage at [www.inderscience.com/ijecsa](http://www.inderscience.com/ijecsa) where you can:

- Read about the journal's aim, scope and readership
- View editorial board details
- Find out about calls for papers and how to submit
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at [www.inderscienceonline.com](http://www.inderscienceonline.com) or download an order form from [www.inderscience.com/subform](http://www.inderscience.com/subform).
