Scope of the Journal

ISSN: 1460-6712 (Print), ISSN: 1741-8062 (Online)

IJFSM is a highly professional, fully refereed international journal publishing literature covering the broad area of financial services. It focuses on the development of the best practices of management among financial service companies. It serves both academics and practitioners, with an emphasis on case studies, innovations and forensics.

Contents:

IJFSM publishes original and review papers, technical reports, case studies, conference reports, management reports, book reviews, and notes, commentaries, and news. Contribution may be by submission or invitation, and suggestions for special issues and publications are welcome.

Topics covered include:

- Governance of financial service companies
- Risk management
- Board effectiveness
- Customer service and development
- Communication
- Financial regulation
- Technology and process efficiencies
- Data management
- Mergers and acquisitions
- Modelling, model risk and model validation
- Marketing
- Portfolio management
- Financial markets
- Financial product innovation
- Financial law
