Scope of the Journal

ISSN: 2056-9491 (Print), ISSN: 2056-9505 (Online)

IJHP serves as a forum for interdisciplinary discussion of leading issues in healthcare law, medicine and health policy. Emphasis is placed on issues such as legislative and regulatory environments, and plans and actions that are undertaken by organisations and agencies to achieve specific healthcare goals within society. This perspective is reflective of the broad range of efforts to advance the public's health.

Contents:

IJHP publishes original papers, unsolicited manuscripts, symposium-based pieces, review papers, case studies and book reviews. Special issues devoted to important topics in healthcare policy will occasionally be published. The journal invites individuals, practitioners, academicians, and all others who have an interest in healthcare to submit manuscripts.

Topics covered include:

- Healthcare research
- Healthcare industry
- Healthcare strategy
- Healthcare management
- Healthcare performance
- Healthcare innovation
