Scope of the Journal

ISSN: 2050-103X (Print), ISSN: 2050-1048 (Online)

IJHRCS initiates and fosters academic dialogue concerning the modern subjects of constitutional law and human rights protection from a global perspective. It provides novel and original material in the fields of current economic and political crises, globalised democratic governance, human rights public policies, the theory and philosophy of rights, comparative constitutional law and the methodology of law.

Contents

IJHRCS publishes original papers, conference reports, jurisprudence, book reviews, notes and commentaries. Special issues devoted to important topics of human rights and constitutional studies will occasionally be published.

Topics covered include:
