Scope of the Journal

ISSN: 2398-7510 (Print), ISSN: 2398-7529 (Online)

IJIMR is an academic platform which puts the emphasis on disseminating state-of-art technology in the interdisciplinary fields of machine intelligence, advanced robots and real-life applications. This is important because of the ubiquitous nature of intelligent machines and their increasing impact on society. Aiming to fill the gap between academia and industry, IJIMR also welcomes the contributions on robotics and automation education.

International Journal of
Intelligent Machines and Robotics

Contents

IJIMR publishes original papers, review papers, technical reports, case studies and book reviews. Special sections devoted to robotics and automation education will occasionally be published.

Topics covered include:

- Industrial automation and process control
- System control and data acquisition
- Industrial robots, service robots
- Intelligent robots, autonomous robots, collaborative robots
- Robotics and computer integrated manufacturing
- Cloud machines, cloud robots
- Smart systems, HCI, brain computer interface

- Artificial intelligence, big data and analytics
- Industry 4.0
- Internet of things, industrial IoT
- Machine learning
- Machine vision and image processing
- Human-machine interaction
- Machine emotion and consciousness
- Robotics and automation education

Not sure if this title is the one for you?

Visit the journal homepage at **www.inderscience.com/ijimr** where you can:

- Read about the journal's aim, scope and readership
- View editorial board details
- Find out about calls for papers and how to submit
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at **www.inderscienceonline.com** or download an order form from **www.inderscience.com/subform.**

This title is part of the Education, Knowledge and Learning Collection (see **www.inderscience.com/ekl**). For library collection subscriptions or for a free institutional online trial, please contact **subs@inderscience.com.**
