Scope of the Journal

ISSN: 1754-1441 (Print), ISSN: 1754-145X (Online)

IJIS publishes a broad range of papers on all aspects of immunology from scientists in academic and non-academic organisations as well as business and government worldwide. IJIS is the flagship journal of the Frontiers in Immunology Research Network.

Contents:

IJIS publishes original papers, review papers, case studies, notes, commentaries, reports relating to technology and education, and book reviews. Special Issues devoted to themes in vogue will occasionally be published.

IJ is an Open Access-only journal and article processing charges (APCs) apply.

Topics covered include:

- Allergy and immunopathology, antigen presentation, autoimmunity
- B cells, NK cells, NKT and T regulatory cells, cellular immunology
- Signal transduction, stem cells, T cell biology
- Cytokines, chemokines, inflammation
- Dendritic cells, diabetes
- Imaging at the molecular, cellular or whole animal level
- Immune responses to infectious diseases and viral infections
- Tumour immunology, immunogenetics and gene discovery, immunotherapy
- Innate immunity, in silico modelling, knockout/knock-in studies
- Lymphocyte activation and homing, lymphocyte differentiation and migration
- Mechanisms of cell death, molecular immunology, mucosal immunology SIG
- Plasmon resonance, protein crystallography
- The MHC and its interactions, tolerance, transplantation
- Vaccine development
- Veterinary immunology SIG

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/ijis where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via email or RSS
- View editorial board details
- Find out how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Healthcare and Biosciences Collection (see www.inderscience.com/hb). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
