Scope of the Journal

ISSN: 1743-8268 (Print), ISSN: 1743-8276 (Online)

Knowledge as a key resource will contribute to improving organisational performance if it is properly leveraged and harnessed. IJKMS is a refereed and authoritative source of information in knowledge management and related fields that is driven by new science, technology and philosophy. IJKMS is an interdisciplinary journal devoted to advancing all aspects of managing knowledge. It provides an outlet for high-quality, rigorous and original research by academics and practitioners that emphasises knowledge management both theoretically and practically.

Contents:

IJKMS publishes original, theoretical and empirical papers; case studies; conference reports; management reports; book reviews; notes; commentaries and news. In addition to the regular issues of the journal, IJKMS publishes Special Issues devoted to interesting topics in knowledge management.

Topics covered include:

- Knowledge creation, acquisition, codification, classification, organisation
- Knowledge sharing, transfer, application, protection, retention
- Knowledge management design and development
- Knowledge management and implementation
- Measurement of knowledge management performance and benefits
- Techniques and methods for managing knowledge
- Technological tools for knowledge management, e.g.
 - Knowledge bases, collaborative tools
 - Expert/intelligent systems, knowledge mining/extraction
 - Content/document management
 - Portals, search and retrieval
 - e-Learning, virtual reality, business intelligence, etc.
- Human, organisational, strategic, behavioural and socio-cultural aspects
- Public policy, economics, education policy, intellectual capital, ethics
- Other related aspects of knowledge management
