# Scope of the Journal

ISSN: 1740-2875 (Print), ISSN: 1740-2883 (Online)

*IJLC seeks to improve the understanding and approach to learning by addressing both theoretical and practical issues that have a high relevance to reforming and revitalising organisational capability, knowledge and intellectual assets. Learning is essential to individuals and organisations, whilst change is inevitable and needs to be managed wherever possible. IJLC is dedicated to the advancement of knowledge of management of learning and change, especially the process and method of learning and change in science-based and technology-driven developments and applications.*
