International Journal of

Markets and Business Systems

Scope of the Journal

ISSN: 2056-4112 (Print), ISSN: 2056-4120 (Online)

IJMABS proposes and fosters discussion on cutting-edge system theory and grounded research and practice addressing new ways of thinking, models and methodologies for understanding and acting within the complexities of market and organisational environments. The journal seeks to contribute to debates concerning the challenges of today regarding local and global economies and society. IJMABS is the official journal of the scientific society, Business Systems Laboratory.

Contents:

IJMABS publishes original papers, reviews and case studies. It also publishes one special issue each year with revised papers presented at the Business Systems

Laboratory annual symposia as well as other special issues devoted to important topics that emerge in domain of the market, public and business systems community. IJMABS grew out of the Business Systems Review.
