# Scope of the Journal

ISSN: 1755-2419 (Print), ISSN: 1755-2427 (Online)

*IJMBS addresses the whole range of technological, human/social, political, policy, organisational and managerial issues related to migration and border studies. IJMBS is a peer-reviewed journal which offers a forum for disciplinary and inter-disciplinary research concerning conceptual, theoretical, empirical and methodological dimensions of migration and border studies. It aims to bring together a diverse range of international scholars and practitioners to advance knowledge, improve practice, and act as a definitive source on migration and border issues.*

## Topics covered include:

- Technological advances/issues
- Analysis/assessment methodologies
- Research methods/data analysis
- Performance measurement
- Governance, managerial and organisational issues
- International leadership issues
- Immigration policy analysis, economic impacts
- Human mobility, immigrant integration
- Strategic development, immigration strategy
- Modelling techniques
- Decision support
- Border security design
- Systems analysis
- Training/education, professional development
- Cultural, ethical and philosophical issues
