# Scope of the Journal

ISSN: 1752-8240 (Print), ISSN: 1752-850X (Online)

*IJMD's mission is to publish innovative scholarly research that has the potential to advance the field of management. Its unique feature is a focus on the development of management competencies needed to make effective decisions that enable firms to successfully face contemporary challenges in national, international and global markets. The journal covers the development and application of management competencies in all areas of management including, among others, marketing, human resource management, operations management and international management.*

## Topics covered include:

- Management decisions
- Resources, competencies and knowledge management
- Corporate social responsibility and sustainability
- Human resource management and organisational behaviour
- Marketing, brand and customer relationship management
- International management and marketing
- Managerial accounting and firms' financial decisions
- Operations, supply chain and quality management
- Innovation management, smart technologies, artificial intelligence
- Entrepreneurship and social entrepreneurship
- Small and family business management
- Service management
- Crisis management and turnaround
- Management of private, public and third sector organisations
- Management and marketing in tourism, hospitality and the public sector
