# Scope of the Journal

ISSN: 1468-4330 (Print), ISSN: 1741-8127 (Online)

*IJMED is an international research journal dedicated to business development and enhancing the capabilities and performance of managers and entire organisations. Its focus involves the systematic management, planning, organising, directing and controlling of resources – including human, financial, technological and informational – to achieve organisational goals and objectives effectively and efficiently. The journal focuses on fostering the growth, development and sustainability of enterprises. IJMED provides a venue for high-quality papers including theoretical and empirical research articles, evidence-based case studies and practical applications.*
