Scope of the Journal

ISSN: 1752-0479 (Print), ISSN: 1752-0487 (Online)

IJMEF addresses the advancement of contemporary research in the field of international monetary economics and finance. It is an internationally competitive, peer-reviewed journal dedicated to serve as the primary outlet for theoretical and empirical research in all areas of international monetary economics and finance. IJMEF seeks to publish thought-provoking, policy relevant analysis.

Contents:

IJMEF invites and welcomes theoretical and applied papers, case studies, and special issues. The journal will also publish review papers, technical reports, and case studies.

Topics covered include:

- International financial institutions
- Monetary economics
- Exchange rates and interest rates
- Open economy macroeconomics
- International finance
- Financial markets and institutions
