# Scope of the Journal

ISSN: 2051-6800 (Print), ISSN: 2051-6819 (Online)

*IJMRRM proposes and fosters discussion on the fields of internal and international migration and residential mobility, with emphasis on the implications that policy choices have on both the process and law of migration and residential mobility. IJMRRM also focuses on the physiological, mental and behavioural responses of the people concerned. IJMRRM offers a platform for publishing research which covers theoretical, methodological, policy and empirical studies spanning a broad range of disciplines and perspectives related to migration and residential mobility.*

## Topics covered include:

- Micro, meso or macro migration
- Construction, health, environmental and/or transport issues
- Economic issues
- Social issues
- Political, historical, medical and/or demographic issues
- Planning issues relating to residential mobility
- Internal and international migration
- Links between migration and residential mobility
- Residential mobility and job changes
- Law of migration and residential mobility
- Housing changes and housing upgrades
