A Journal of the International Association for Vehicle Design

Scope of the Journal

ISSN: 2048-8459 (Print), ISSN: 2048-8467 (Online)

IJSpaceSE publishes original and multidisciplinary research papers in all areas of space activities with special emphasis on space and planetary exploration, earth observation, mission analysis, spacecraft and payload design, navigation and control and related space technology. Subject areas include all the current fields of interest related to the above mentioned areas.

Contents

IJSpaceSE is a refereed international journal publishing original papers, review papers, experimental results, mission-in-progress, and trend-setting ideas in the area of space science and engineering. Papers should be of a quality that represents the state of the art in the field and future trends.

www.inderscience.com/IJSpaceSE

Topics covered include:

- Space and planetary exploration
- Planets and small bodies of the solar system
- Space environment and radiation effects
- Space plasmas in the solar system
- Earth observation from space and data processing
- Space mission analysis
- Spacecraft and payload design
- Small/micro/nano satellite systems
- Space tether systems
- Orbital dynamics, satellite attitude control, space debris
- Space robotics
- Space energy, power and propulsion
- Space materials and structures
- Space communication and on-board hardware design
- Ground and space testing of space-borne instrumentation

Not sure if this title is the one for you?

Visit the journal homepage at www.inderscience.com/IJSpaceSE where you can:

- View sample articles in full text HTML or PDF format
- Sign up for our free table of contents new issue alerts via e-mail or RSS
- View editorial board details
- Find out about how to submit your papers
- Find out about subscription options, in print, online or as part of a journals collection

You can order online at www.inderscienceonline.com or download an order form from www.inderscience.com/subform.

This title is part of the Science, Engineering and Technology Collection (see www.inderscience.com/set). For library collection subscriptions or for a free institutional online trial, please contact subs@inderscience.com.
