Scope of the Journal

ISSN: 2634-1948 (Print), ISSN: 2634-1956 (Online)

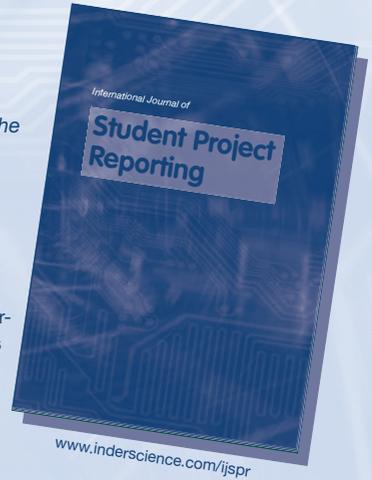

IJSPP is the first journal dedicated to publishing peer-reviewed reports on the research and design process, validation and implementation of student-conducted projects in the fields of computing science, engineering, architecture and related areas. The journal also publishes short communications, letters to the Editor and reviews of textbooks in the same areas. A Best Paper Award, sponsored by Maplesoft, is awarded annually.

Contents

IJSPP primarily publishes technical reports of student-conducted projects in all branches of engineering, computing science and computer-generated architecture. Special issues are also published with selections of reports from student competitions.

Topics covered include:

- Capstone projects
- Honors projects
- Student club projects
- Student competitions
- Industry sponsorship
- Engineering design and analysis
- Architectural design
- Computer-aided design
- Computer programming
- Prototyping and implementation
- Testing and validation
- Teamwork
- Team leadership
